COMMENTS BY DATE
1/24/18 Made it into set up trap at approximately 1100; road and ground conditions were quickly thawing and turning to mud
Made the decision to attempt to trap due the limited window for egress with loaded semis out of HMA

Number of animal deaths to Date: (Acute/Sudden and/or Chronic/Preexisting)
Chronic/Preexisting: 1 1/24/18 euthanized 15 year old mare missing one eye and partially blind in other eye
