

New Operating Contract Executed

March 28, 2018

The BLM and the CRLP have executed a new operating contract. This new Federal Acquisitions Regulation (FAR) based contract will begin April 1, 2018, and run through the remainder of the helium program.

BLM CRLP FAR Contract Update

March 21, 2018

The BLM was informed Wednesday, March 21, that further negotiations are requested on the CRLP contractual replacement of the former agreements. The BLM will meet with CRLP members face-to-face in Amarillo, TX, for final negotiations before the agreements expire March 31, 2018.
