FINDING OF NO SIGNIFICANT IMPACT

Case File Serial Number: COC-074812 and COC-076371

FINDING OF NO SIGNIFICANT IMPACT:

I have reviewed the direct, indirect and cumulative effects of the proposed activities documented in the Sutey Ranch Land Exchange EA, No. **DOI-BLM-CO-N040-2013-0061**. I have also reviewed the project record for this analysis and the impacts of the proposed action and alternatives as disclosed in the Alternatives and Environmental Impacts sections of the EA. Based upon a review of the EA and the supporting documents, I have determined that the project is not a major federal action and will not significantly affect the quality of the human environment, individually or cumulatively with other actions in the general area. Because there would not be any significant impact, an environmental impact statement is not required.
