

## BLM Seeks Comments on 2017 Off-Highway Vehicle Recreation Proposals

Approximately 30 projects throughout the state have been proposed including OHV rules enforcement, operation and maintenance, restoration work and other activities. The proposals are funded through the Grants and Cooperative Agreements Program sponsored by the State of California which provides financial assistance to cities, counties, districts, federal and state agencies, educational institutions, federally recognized Tribes and nonprofit entities.

For detailed instructions on how to access the proposals and submit comments, visit [www.ohv.parks.ca.gov](http://www.ohv.parks.ca.gov)

Recreation/OHV information for BLM Field Offices can be found at; <https://www.recreation.gov/campgroundDirectoryListByAgencyID.do?contractCode=NRSO&agencyID=70901>

Participating office contacts for the California BLM Offices include:

Field	Project Information
