COLORADO NORTHWEST RESOURCE ADVISORY COUNCIL RESOLUTION 2012-001

Resolution in Support of Continuing the NW RAC's fee recommendation authority under the Federal Lands Recreation Enhancement Act

Whereas: The Colorado Northwest Resource Advisory Council's (NW RAC) Charter was amended in 2011 to give it the authority to make recreation fee proposal recommendations for lands managed by the Bureau of Land Management under the Federal Lands Recreation Enhancement Act (FLREA) for a trial period of one year ending Sept. 30, 2012.

Whereas: The NW RAC believes it is the most appropriate citizen advisory council to make timely recommendations regarding Bureau of Land Management (BLM) recreation fee proposals in northwestern Colorado.

Therefore be it resolved that the Northwest Colorado Resource Advisory Council supports continuing the role of making recreation fee proposal recommendations under the authority of FLREA for northwestern Colorado.

Be it further resolved that the Northwest Colorado Resource Advisory Council supports continuing the language modification in its charters which give it this authority indefinitely, with no further trial period.

Be it further resolved that at such time the NW RAC believes this authority is no longer necessary or appropriate, it will seek modification of its charter to remove this language through a formal resolution.

Passed, approved, and adopted May 10, 2012.

Received by Designated Federal Officer
James Cagney

Pat Kennedy, Chair
Northwest Resource Advisory Council
