

e-NEPA

Electronic Submittal of Environmental Impact Statements to EPA

About e-NEPA

e-NEPA is EPA's tool for submitting EIS documents electronically. The system meets EPA's requirements for EIS filing, and eliminates the need to mail hard copies of EISs to EPA. As before, to have your agency's EIS appear in EPA's Federal Register Notice of Availability, submit by 5:00 pm Eastern Standard Time on the prior Friday.

Please note that using e-NEPA for filing does not affect agencies' responsibilities for public distribution of EISs. Additionally, e-NEPA registration is only open to government employees: contractors cannot submit EIS documents through e-NEPA.

How to Register for e-NEPA

1. Go to https://cdx.epa.gov/epa_home.asp and select **“Register with CDX”**
2. Read and accept the Terms and Conditions. Select **“Proceed”**
3. In the Request Program Service screen select **“e-NEPA: NEPA Electronic Filing System”** (See Figure 1)
4. On the Request Role Access Screen, select the role Federal Agency EIS Filer and select **“Request Role Access”** (See Figure 2)
5. On the Registration Information Screen, input User and Organization Information. If your Organization does not show up in the search results, select **“request that we add your organization”** and input Organization information to add to the system and select **“Submit Request for Access”** (See Figures 3 and 4)
6. A confirmation screen appears, and soon you will receive a confirmation e-mail with a verification link to activate your account. When you receive the email, click the link and log in to create additional security questions for signature verification.
7. You are now able to submit documents

The screenshot shows the 'Core CDX Registration' interface. At the top right is a 'Contact Us' link. Below the title is a progress bar with four steps: '1. Request Program Service' (active), '2. Request Role Access', '3. Provide User and Organization Information', and '4. Confirmation'. A search instruction reads: 'Begin typing a program service name or related keywords to filter the list of available services (e.g., air quality system, AQS, or Clean Air Act)'. Below this is the 'Active Program Services List' with a search input field containing 'Enter search criteria'. The list contains several items, with 'e-NEPA: NEPA Electronic Filing System' highlighted in red. A callout box with an arrow points to this item, containing the text: 'Select “e-NEPA: NEPA Electronic Filing System”'. Other items in the list include ACRES: Assessment Cleanup and Redevelopment Exchange System, ARCS: Aircraft Reporting and Compliance System, CEDRI: Compliance and Emissions Data Reporting Interface, CSPP: Submissions for Chemical Safety and Pesticide Programs, EAB: Environmental Appeals Board, and eDisclosure: Audit Policy Self-Disclosure.

Preparing Your EIS Document for Electronic Submission

EPA will be hosting all submitted EIS PDF documents on the EPA website. All PDF documents must meet EPA's online PDF requirements

File Size Requirements

- PDF files posted for the public must be no greater than 50MB.
- If the document is larger, please divide it into chapters or subchapters, if necessary.
- Adobe's **Reduce File Size** option will compress portions of the document, and offers the opportunity to limit backwards compatibility, which can further reduce file sizes.

Formatting your EIS Document for Electronic Submission

- It is recommended to format the filenames with the chapter or subchapter number first, followed by its name
Example: *Chapter 1 – Purpose and Need*
- If submitting a single file, please use the full EIS title as the filename.
- All documents must be searchable. Most PDFs that, other than scanned documents, are already searchable. For documents with unsearchable text, please run an optical character recognition.

- Use the title of the document for both the **Title** and **Subject** fields.
- Use the name of your agency in the **Author** field.

- Please see the link below for guidance on appropriate keywords.
