Re: Expression of Interest; San Juan County, UT

Dear Ms. Wilcken:

We nominate the following federal oil and gas lands for the next available federal competitive oil and gas lease sale:

Township 39 South, Range 22 East, SLM
Section 33: E/2

Although we understand that this parcel is currently subject to Lease UTU-084959, we believe this lease has terminated. We request that the BLM include this parcel in the next available competitive oil and gas lease sale in Utah. We appreciate your assistance with this request. Thank you.

Very truly yours,

BJORK LINDLEY LITTLE PC
