Please note this Nomination is being directed to your office at the request of Ms. Becky Hammond, Forest Service Minerals and Geologic Program Manager, as per our telephone conversation with her this date. Ms. Hammond advised there is no problem processing this request through the BLM office, due to the fact that the Forest Service is working on this area to be finalized within the 'next couple of months' for approval to lease said lands.

As always, thank you for your kind consideration and assistance regarding this request.

Best regards,
