Re: Expression of Interest
Cane Creek Unit, Three Mile Unit, La Sal Unit, Hatch Point Unit
Grand and San Juan Counties, Utah

Dear Mr. Bankert:

Please find attached a schedule of lands which appear to be open from the federal oil and gas plat. Kirkwood requests BLM offer these lands for oil and gas leases as soon as possible. These lands are within federally approved unit areas and in some case very close to wells we wish to drill or recomplete. The leasing of these lands will facilitate the orderly and efficient development of said unit lands.

Please feel free to contact me should you have any questions or require additional information.

Very truly yours,

D. Steven Degenfelder
