1373 - DISTRIBUTION OF RECEIPTS

.01 Purpose. This Manual Section provides instructions for distributing receipts from the sale or use of lands and resources under the jurisdiction of the Bureau of Land Management.

.02 Objectives. The primary objective is to provide guidelines for the efficient distribution of BLM receipts in accordance with legislative and Departmental authority.

.03 Authority. Basic authority is contained in the various statutes governing the administration of lands and resources. This authority is cited under each category of receipts included in the section.

.04 Responsibility.

A. Chief, Division of Finance. The Chief, Division of Finance, has responsibility for the overall financial management system and for ensuring that receipts are distributed in accordance with applicable laws and regulations. The Chief, Division of Finance, is also responsible for:

1. Preparing Statement of Transactions, SF-224, to transfer receipts to Special Funds and the General Fund of the Treasury.
2. Preparing Voucher and Schedule of Payments, SF-1081, to transfer receipts to other agencies.
3. Requesting appropriation warrants and establishing amounts made available to the Bureau.
4. Requesting appropriation warrants for amounts to be paid to States and counties, scheduling such payments, and distributing checks obtained from the Treasury.

B. Chief, Division of Financial Operations (Service Center). The Service Center Director, through the Chief, Division of Financial Operations, is responsible for:

1. Establishing and maintaining distribution formulae within the automated financial management system.
2. Distributing receipts to the proper accounts within the financial management system.
3. Producing and verifying distribution reports.

C. Bureau Employees. Those employees who process or receive collections are responsible for depositing receipts to the proper accounts.
