and the United States of America, acting through the Bureau of Land Management, expressly requires that all timber sold thereunder:

A. Except for exempted grades and species, is restricted from export from the United States in the form of unprocessed timber. The term "unprocessed timber" means trees or portions of trees or other roundwood not processed to standards and specifications suitable for end product use. The term "unprocessed timber" does not include timber processed into any one of the following: (i) Lumber or construction timbers, except Western Red Cedar, meeting current American Lumber Standards Grades or Pacific Lumber Inspection Bureau Export R or N list grades, sawn on 4 sides, not intended for remanufacture; (ii) Lumber, construction timbers, or cants for remanufacture, except Western Red Cedar, meeting current American Lumber Standards Grades or Pacific Lumber Inspection Bureau Export R or N list clear grades, sawn on 4 sides, not to exceed 12 inches in thickness; (iii) Lumber, construction timbers, or cants for remanufacture, except Western Red Cedar, that do not meet the grades referred to in clause (ii) and are sawn on 4 sides, with wane less than 1/4 of any face, not exceeding 8 3/4 inches in thickness; (iv) Chips, pulp, or pulp products; (v) Veneer or plywood; (vi) Poles, posts, or piling cut or treated with preservatives for use as such; (vii) Shakes or shingles; (viii) Aspen or other pulpwood bolts, not exceeding 100 inches in length, exported for processing into pulp; (ix) Pulp logs, cull logs, and incidental volumes of grade 3 and 4 sawlogs processed at domestic pulp mills, domestic chip plants, or other domestic operations for the primary purpose of conversion of the logs into chips, or to the extent that a small quantity of such logs are processed, into other products at domestic processing facilities.

As a buyer of "unprocessed timber" as defined above originating from the contract area of said contract, I agree to abide by the terms and conditions of said contract with respect to the restrictions regarding the export of unprocessed timber from the United States.

B. Will not be used as a substitute for exported private timber. For the purpose of this contract, substitution is defined as "the purchase of a greater volume of Federal timber by an individual purchaser than has been his historic pattern within twenty-four (24) months of the sale for export by the same purchaser of a greater volume of his private timber than has been his historic pattern during the preceding twenty-four (24) months.

As a buyer of "timber" as defined above originating from the contract area of said contract, I agree to the terms and conditions of said contract with respect to the restrictions regarding substitution as defined above.
