Roll Call

➤ Noted

Nick D.-Antitrust guidelines apply. If there are any questions, please let me know.

Any update on COVID?

Mark M.-No changes for COVID.

Nick D.-Operational update from Mark.

Mark M.-Pressure is 1503. Started injecting last night. Injecting about 1 million crude. TSA heater did not fail last night. The change we made seems to have fixed it.

Nick D.-Any questions for Mark?

I'm away from my files so I don't have any updates on the bypass file.

Keith your OSHA 30 training was scheduled to be completed near the end of the month so no further report needed right now.

IT issues, Brad anything new on that one.

Brad B.-They did reboot the Historian that didn't help, we are still working through that issue.

Nick D.-PSM related projects those are on hold until we can resolve the NGL incident plan. Nothing changes for those items. Any updates on NGL report?

Keith L.-Nothing for the group at this point. Hopefully, we can get that sent out end of the week beginning of next week.

Nick D.-Does anyone have questions or comments?

Ok, looks like it is a short call.
