

2021 HERITAGE PROGRAM ANNUAL REPORT

Complete sections I through X. Field offices/units/NLCS units transmit their responses to the appropriate State Office. The State Office consolidates the field response into one State Office report. The consolidated State Office report is transmitted to Headquarters (HQ-420) through the sharepoint. HQ-420 will consolidate the State Office responses.

Unless instructed otherwise, provide the information requested as totals completed during the reporting year (Oct. 1- Sept. 30). If a box is left blank, the presumption will be that no data is available.

FISCAL YEAR	2021
REPORTING OFFICE/UNIT	TOTAL
I. Identification (8110)	
A. Total number of proposed undertakings (total may not be the same as the sum of numbers 1-4 below).	507
1. Literature reviews conducted by BLM or non-BLM.	438
2. Exempt from SHPO consultation through Protocol or Protocol Appendix.	124
3. APE disturbed; no further inventory necessary.	30
4. APE previously inventoried; no further inventory necessary.	66
B. Number of Class I Regional Overviews performed to standards in BLM Manual Section 8110.21A.1.	42
C. Number of undertakings on BLM and non-BLM lands for which Class III - Intensive Pedestrian Survey were completed.	181
D. Total number of Class I Inventory, or Class II, or III survey undertaken by BLM archaeologists. (1+2)	222
1. Projects completed for undertakings (Section 106).	179
2. Projects completed for comprehensive program work (Section 110).	44
E. Total acres of BLM-administered surface surveyed at the Class III level, regardless of whether BLM or non-BLM entities performed the surveys and whether survey was conducted for Section 106 or Section 110.	35991
F. Total acres of BLM-administered surface surveyed at the Class II level, regardless of whether BLM or non-BLM entities performed the surveys and whether survey was conducted for Section 106 or Section 110.	1401
G. Total acres of non-BLM-administered surface (i.e., split estate; non-BLM surface in areas of "checkerboard" mixed land ownership pattern) inventoried at the Class III level, regardless of whether BLM or non-BLM entities performed the surveys. (sum of 1-4)	9783
1. Split-estate (private surface over federal minerals)	3638
2. Private	2876
3. State or local government	263
4. Other federal	17

H. Total number of cultural resources recorded on BLM-administered surface for which site or resource records were completed. Include only newly reported resources (i.e., updating or otherwise modifying existing site/resource records should not be reported).	1846
I. Total number of cultural resources recorded on non-BLM administered surface for which site or resource records were completed. Include only newly reported properties (i.e., updating or otherwise modifying existing site/resource records should not be reported). (sum of 1-4)	344
1. Split-estate (private surface over federal minerals)	153
2. Private	95
3. State or local government	0
4. Other federal	8
J. Number of records scanned and/or digitized as part of the effort to populate NCRIMS.	709690
K. Number of records that still need to be scanned and/or digitized as part of the effort to populate NCRIMS.	0
L. Number of Investigations entered into GIS and populated in NCRIMS in the reporting year.	153
M. Number of Resources entered into a GIS and populated in NCRIMS in the reporting year.	4550
II. National Register of Historic Places (8110)	
A. Total number of BLM historic properties (buildings, districts, sites, objects, structure, traditional cultural properties) listed in the National Register of Historic Places (National Register) during the reporting year.	0
B. Total number of BLM contributing resources (e.g., additions to a historic district) included in II.A. that were listed on the National Register during the reporting year.	0
C. Total number of cultural resources that were determined eligible for the National Register (1+2).	332
1. BLM	229
2. Non-BLM	103
D. Total number of cultural resources that were determined not eligible for the National Register (1+2).	1179
1. BLM	1045
2. Non-BLM	92
E. Total number of cultural resources that were recorded but not evaluated for eligibility for the National Register (1+2).	178
1. BLM	32
2. Non-BLM	146
F. Number of historic properties under Federal control that were removed from the National Register due to natural causes or human caused destruction (1+2).	0
1. Natural Destruction	0
2. Human Caused Destruction	0

G. Number of historic properties listed on the National Register that are no longer administered by the BLM during the reporting period (e.g. Land transfer).	0
III. Physical and Administrative Protection (8140)	
Provide the following information for physical and administrative measures protecting cultural resources. Note that specific cultural resources may be counted in more than one protection measure if several measures are used. Only cultural resources that receive direct and site-specific protection should be included.	
A. Total number of cultural resources protected by one or more of the protection measures listed in sections III.A. 1 through 6 (below). In your total for A, report each cultural resource protected only once, even though it may be included in more than one protection category (total may not be the same as the sum of numbers 1-6 below).	539
1. Monitoring: Number of cultural resources visited for the purpose of monitoring resource condition that resulted in at least minimal level of documentation (e.g., updating baseline data, existing site records, or monitoring form) (sum of a + b).	25
a. Number of monitored cultural resources in stable condition	535
b. Number of monitored cultural resources noticeably deteriorating	39
2. Signing: Number of anti-looting/anti-vandalism signs installed specifically to protect cultural resources.	8
3. Fencing/Gating: Number of cultural resources enclosed or otherwise specifically protected by permanent fencing/gating projects.	0
4. Stabilization or Restoration: Number of cultural resources on which actions were taken to maintain them in their present condition and/or to arrest natural and human-caused deterioration.	5
5. Ongoing Protection Measures: Number of protection efforts or efforts directed toward maintenance or upkeep of existing protection strategies (e.g., number of damaged signs replaced, number of previously installed fences repaired, number of treatments maintained, such as reapplying mud to seal adobe walls or refilling holes dug by vandals).	8
6. Administrative Measures: Number of cultural resources protected by administrative measures taken for the express purpose of directly benefitting cultural resources (e.g., closure to off-highway vehicles and other use restrictions, withdrawal from mineral entry, ACEC designations). Count only known sites that receive protection from the administrative measure.	2
IV. Avoidance, Minimization, and Mitigation/Data Recovery (8130)	
Provide information for all undertakings or actions involving avoidance, minimization, mitigation and/or data recovery of effects on historic properties for the purpose of complying with the National Historic Preservation Act. The undertakings or actions may involve either BLM- or non-BLM-administered lands.	
A. Number of undertakings resulting in a No Historic Properties Affected determination.	190

B. Number of Undertakings resulting in a No Adverse Effect determination.	70
C. Number of undertakings resulting in an Adverse Effect determination.	6
D. Total number of historic properties where potential adverse effects of actions were avoided during the reporting year regardless of the reason for the avoidance (e.g. properties avoided by project redesign).	212
E. Number of undertakings involving non-BLM administered surface completed without pedestrian survey.	14
F. Number of Memoranda of Agreement (MOA) negotiated and signed during the year.	2
G. Number of Programmatic Agreements (PA) negotiated and signed during the year.	1
H. Total number of agreements (including Protocol) in effect during the year and authorized within your state (Only include multi-state agreements signed by your state's Authorized Officer).	16
I. Total number of data recovery projects completed for purposes of complying with Section 106. Report all data recovery efforts including excavation, associated intensive site recordation, and artifact collection conducted to mitigate effects to a historic property threatened by destruction or disturbance.	2
1. Number of properties from which collections were made.	24
3. Number of repository receipts for collection completed/collections deposited in a repository.	3
4. Total number of objects deposited in repositories. If the total number is unknown, assume 500 objects per box (based in a study conducted by the BIA).	267
5. Associated records deposited in repositories.	2
a. linear feet	0
b. gigabytes	1
J. Total number of Section 106 mitigation/data recovery projects in progress (but not completed) during this reporting year.	4
K. Total number of undertakings resulting in post-review discoveries.	1
1. Number of historic properties involved.	1
L. Total number of undertakings for which for post-review discoveries required data recovery.	0
1. Number of historic properties from which collections were made.	2
2. Number of repository receipts for collection completed/collections deposited in a repository.	0
3. Total number of objects deposited in repositories. If the total number is unknown, assume 500 objects per box (based in a study conducted by the BIA).	0
4. Associated records deposited in repositories.	0
a. linear feet	0
b. gigabytes	0

M. Total number of completed Section 110 research projects, field schools, and internal bureau activities.	25
1. Number of properties from which collections were made.	7
2. Number of repository receipts for collection completed/collections deposited in a repository.	1
3. Total number of objects deposited in repositories.	0
4. Associated records deposited in repositories.	0
a. linear feet	0
b. gigabytes	0
V. Cultural Resource Use Permits	
A. Total number of permit applications received.	53
B. Total number of permits in effect during the reporting year (including any that expired prior to or at the end of the year).	62
1. Permits <u>issued</u> under FLPMA.	25
1a. Permits <u>modified</u> under FLPMA.	21
2. Permits <u>issued</u> under ARPA.	2
2a. Permits <u>modified</u> under ARPA.	5
3. Number of permits issued to individuals.	0
4. Permits issued to consulting firms.	46
5. Permits issued to academic institutions.	7
C. Total number of permits under which work was conducted during the reporting year.	24
D. Total number of field checks conducted to assess permittee work.	4
E. Total number of ARPA notifications to Indian tribes or Alaska Native groups of proposed work (i.e., work to be done under permit, by agency, by permittee or under contract that may possibly harm or destroy properties having religious or cultural importance for the tribes). Report the number of individual actions for which Indian tribes were notified, not the actual number of tribes notified.	0
VI. Public and Professional Outreach and Education	
Note: Units are not the same as quantity. For example, one new brochure is 1 unit, but the number printed (quantity produced) could be 1,000.	
A. Total number of BLM-sponsored or hosted public presentations (e.g., on-site or off-site, avocational meetings, community groups, classroom, fairs, etc.; should not include media presentations counted under K below).	3569
1. Total number of people directly contacted by (or in the audience for) the above presentations.	2941
B. Total number of BLM-sponsored or hosted K-12 or youth group presentations (e.g., on-site or off-site, classroom visits, youth groups, science fairs).	24
1. Total number of students directly contacted by (or in the audience for) the above presentations.	436
C. Total number of presentations that use Project Archaeology materials.	0

D. Total number of collegiate field schools hosted.	4
1. Total number of college students in the above field schools.	45
E. Total number of interns.	6
F. Total number of professional conference presentations and articles published in professional journals by BLM personnel.	4
G. Total number of cultural resources for which public enhancement projects were completed. This includes on-the-ground measures which increase public awareness and appreciation for cultural properties such as interpretive signing, visitor trails, kiosks, brochures, CDs, and other media. Many of these measures may be done in conjunction with the other programs or through Section 106. List in your narrative the actual cultural properties for which these actions were completed by site name or number.	15
H. Total number of educational or interpretive projects created (this includes curricula or lesson plans, artifact kits, loan trunks, and non-site specific museum or booth exhibits created). <i>List in your narrative the actual projects for which these actions were completed by project or site name or number.</i>	9
I. Total number of web pages published or updated.	2
J. Total number of popular media presentations and articles (e.g., press releases, magazine articles, radio or TV presentations, newsletters. Do NOT include public notices.).	4
K. Total number of poster or event calendar units created.	2
VII. Native American Consultation - See Attachment 7	
VIII. Native American Graves Protection and Repatriation Act Activities - See Attachment 6	
IX. Paleontology - See Attachment 4	
X. Museum Collections - See Attachment 5
