

EASTERN STATES Jupiter Inlet Lighthouse ONA

Recreation Fee Program Spending & Accomplishment Highlights 2021

Public Restroom Remodel

Contract drawings

- Provide public restrooms and usable (under permit) meeting space at the ONA through remodeling an existing building.

Grounds Maintenance

Maintaining grounds

- Maintain grounds, facilities, and trail systems throughout the ONA for visitor use and enjoyment.
- Enhances terrestrial habitats through additions of native plants to existing landscaping.

Recreation Fee Dollars

Recreation fee dollars are an investment in outdoor recreation. Current and future generations benefit as 100% of the funds collected are reinvested in the facilities and services that visitors enjoy, use, and value.

They support and enhance:

- Maintenance, repair, and facility enhancement related directly to visitor enjoyment, visitor access, and health and safety.
- Interpretation, visitor information, visitor service, visitor needs assessments, and signs.
- Habitat restoration directly related to wildlife-dependent recreation that is limited to fishing, wildlife observation, or photography.
- Law enforcement related to public use and recreation.
- Direct operating or capital costs associated with the recreation fee program.

Other Accomplishments

- Provide educational and outreach opportunities
- Install and maintain exhibits and interpretive signage highlighting the unique and national important values of the ONA.
- Deliver a range of educational programs concerning local history, ecosystems, and the environment to K-12 students.

Total Recreation Fee Expenditures for FY22	\$8,000.00
FY21 End of Year Carryover	\$17,570.00
FY22 Projected Revenue	\$18,000.00

Connecting with Communities

The Jupiter Inlet Lighthouse ONA (ONA), and its namesake lighthouse, are iconic features of the North Palm Beach County communities of the Town of Jupiter, Jupiter Inlet Colony, Jupiter Island, and the Village of Tequesta. The site is also of regional interest as a destination in South Florida. The site is visited annually by over 100,000 individuals who come for cultural appreciation, historic interpretation, environmental education, and to relax while enjoying the site’s scenic beauty, crystal clear turquoise waters, and abundant recreational opportunities. The ONA, and its partners, provide hundreds of educational programs each year, support local youth organizations with service projects and place-based learning opportunities, and host a range of events from film festivals to watching the annual community boat parade that passes the along the ONA’s shoreline. The ONA and its on-site partners support over \$10 million in economic impact from visitors to the public lands, providing direct employment opportunities, internships, and volunteer positions to continue to engage all age groups in productive, beneficial, and rewarding work that inspires community support and appreciation for the BLM, the ONA, and all public lands.
