Recreation Fee Program Spending & Accomplishment Highlights 2022

Enhancements - Outreach

Big Dune Recreation Event

Throughout the year, PFO conducts numerous outreach events. These events include Amargosa Valley Days, Wild West Extravaganza, Earth Day, and Halloween Trunk or Treat.

Enhancements - Maintenance

Heavy Equipment for Extreme Weather Conditions

The wind can sometimes be vicious and extreme in the Big Dune Recreation Area. For example, Lexan for the kiosks becomes destroyed, and the access roads sometimes become impassable. Work and supplies are often required to repair and maintain sites after wind damage.

Recreation Fee Dollars

Recreation fee dollars are an investment in outdoor recreation. Current and future generations benefit as 100% of the funds collected are reinvested in the facilities and services that visitors enjoy, use, and value.

They support and enhance:

- Maintenance, repair, and facility enhancement related directly to visitor enjoyment, visitor access, and health and safety
- Interpretation, visitor information, visitor service, visitor needs assessments, and signs
- Habitat restoration directly related to wildlife- dependent recreation that is limited to hunting, fishing, wildlife observation, or photography
- Law enforcement related to public use and recreationDirect operating or capital costs associated with the recreation fee program

Other Accomplishments

A contract has been submitted to purchase PFO's first Utility Terrain Vehicle (UTV). A new junior ranger book has been submitted at the state level, awaiting approval. Once approved, the book can be printed and used for outreach events.

Note: This is a representative list of projects, not a comprehensive list. Other projects were completed using fee funds.

Connecting with Communities

The Pahrump Field Office looks to enhance the recreational activities of all public land areas throughout Nye County. This is done through outreach activities and attending local community events. We share our ideas and work accomplishments. However, we welcome all views on what federal public lands throughout Nye County can do to keep our community a safe and fun recreational place for all.
