

Brushkana Creek Campground Sign

Janitorial and Vault Pumping

Sign Installation Brushkana Campground

In fiscal year (FY) 2022, the Glennallen Field Office (GFO) completed site improvement projects at Brushkana Creek Campground and Clearwater Wayside. Projects included installation of new entrance signs, campsite markers, maintaining site trails, cleaning fire rings, graffiti removal, and providing janitorial services and maintenance for the site.

Amount Expended: \$6,500.00

Vault Toilet Pumping Contract

During FY2022, GFO maintained a janitorial contract to keep vault toilet facilities cleaned and sanitized. The field office utilized a local contractor to pump vault toilets at four developed campgrounds and two waysides within GFO. Supplies such as trash bags, hand sanitizer, safety equipment, and toilet paper were purchased. Staff kept facilities clean and functional for the enjoyment of visitors.

Amount Expended: \$20,000.00

Recreation Fee Dollars

They support and enhance:

Recreation fee dollars are an investment in outdoor recreation. Current and future generations benefit as 100% of the funds collected are reinvested in the facilities and services that visitors enjoy, use, and value.

- Maintenance, repair, and facility enhancement related directly to visitor enjoyment, visitor access, and health and safety
- Interpretation, visitor information, visitor service, visitor needs assessments, and signs
- Habitat restoration directly related to wildlife- dependent recreation that is limited to hunting, fishing, wildlife observation, or photography
- Law enforcement related to public use and recreation
- Direct operating or capital costs associated with the recreation fee program

Other Accomplishments

Implementation of Scan and Pay through Recreation.gov. (Paxson Lake Campground) \$500

GFO was able to engage the services of campground hosts to improve access to appropriate recreation opportunities. \$4290.71

Continued SRP monitoring and compliance in central and southeast Alaska (GFO Heli-ski commercial activities) \$2200

Connecting with Communities

GFO's continued goals are to develop a deep ethic of stewardship within the youth and the public, to promote the use and enjoyment of public lands and resources, to build and maintain open communications and relationships with the public, and to introduce youth and their families to public land recreation opportunities. GFO partners closely with the local non-profit Wrangell Institute for Science and Environment to engage the public in outdoor recreation and education opportunities on and around BLM public lands.
