## Recreation Fee Program Spending & Accomplishment Highlights 2022

Field Office

### Cross Bar Trails Day

Cross Bar Trails Day

The Cross Bar Special Recreation Management Area is the only BLM land in Texas. It is landlocked by private lands in all directions. The BLM hosts several Cross Bar Trails Days throughout the year in an effort to raise public awareness for the Cross Bar and the BLM. The BLM sell passes year round. Most people cannot access the property without modified 4-wheel drive vehicles. Therefore, the BLM hosts Trails Days so people can enjoy the Cross Bar and to raise awareness of our efforts to create public access.

### Cross Bar Horse Ride

Trail riders along Canadian River

Trail riding is a way of life here in the Texas Panhandle. Trail riders haul their horses and trailers to the Cross Bar any chance they get. Since they cannot drive their trucks and trailers through the Canadian River, the BLM hosts Cross Bar Trail Rides on a quarterly basis.

## Recreation Fee Dollars

They support and enhance:

- Maintenance, repair, and facility enhancement related directly to visitor enjoyment, visitor access, and health and safety
- Interpretation, visitor information, visitor service, visitor needs assessments, and signs
- Habitat restoration directly related to wildlife- dependent recreation that is limited to hunting, fishing, wildlife observation, or photography
- Law enforcement related to public use and recreation
- Direct operating or capital costs associated with the recreation fee program

*Recreation fee dollars are an investment in outdoor recreation. Current and future generations benefit as 100% of the funds collected are reinvested in the facilities and services that visitors enjoy, use, and value.*

Other Accomplishments

- The BLM sold 237 interagency passes

Connecting with Communities

Granting access to more than 2,000 national parks and recreation areas, the America the Beautiful pass is a great value for any National Park or Federal recreation land visitor. The passes allow visitors to explore the beauty of America's parks on their outdoor adventure. America the Beautiful is an interagency park pass that covers entrance and standard day-use fees for nearly all parks and recreation areas managed by six Federal agencies: the National Park Service, the Bureau of Land Management, the Bureau of Reclamation, the U.S. Fish and Wildlife Service, the U.S. Forest Service, and the U.S. Army Corps of Engineers.
