Subject: BLM's Willow MDP SEIS ESA Consultation

To Whom It May Concern,

Please find attached in separate emails the following documents submitted in support of the BLM's Section 7 Consultation for the Willow MDP Supplemental Environmental Impact Statement:

- Cover Letter
- Updated Biological Assessment including all Figures and Appendices (PDF)
- Updated Biological Assessment (Word document with track changes showing edits since the last Biological Assessment A submitted for the Willow project on May 8, 2020)

I had initially sent these on November 21 but the files exceeded NOAA server capacity. Please don't hesitate to contact us if you have any issues opening or viewing the documents, have any questions, or require any additional information.

Regards,
Carrie Cecil
