Sounds good if that works for you. I can shoot for 11:30 as well if earlier is better for you. Either time would work for me.

Sounds good – if 2:00 works let's plan on that. I am heading back to SLC this evening for a flight.

Hi Joe, sorry about being late getting back with you. I am available anytime after about 2 pm today. I'll be in all day tomorrow as well. It would be great to catch up.
