

NOTICE TO PROSPECTIVE TIMBER SALE PURCHASERS

Coos Bay District Sale No. ORC04-TS-2020.0031 Turn Signal

Minor discrepancies have been corrected within the Prospectus and contract for the Turn Signal Timber Sale:

1. The Estimated 32' MBF Volume and Approximate Number of Trees for red alder and western redcedar have been revised.
2. Sec. 42.g.(1) of the contract has been revised as follows:
 - (1) The Purchaser shall assist in burning as described in Section 42.f.(7). The Purchaser shall have the option of completing the work, or in lieu thereof, may make a contribution to the Bureau of Land Management in the amount of twenty-four thousand, five hundred ninety-eight and 77/100 dollars (\$24,598.77) and upon making such contribution, the Purchaser shall be relieved of the obligations set out in these subsections. The amount of the contribution shown above shall be paid prior to cutting. The purchaser shall notify the Authorized Officer of his intention to make this contribution upon execution of this contract.

In all other aspects the timber sale contract remains the same. If you have any questions or concerns, please contact our office at (541) 756-0100.
