Recreation Fee Program Spending & Accomplishment Highlights 2023

Field Office

Hosts with the most!

No check, no cash, no problem!

Camp Host with their E-bike!

Amount Expended: \$5,698.56

With 5 campgrounds, ranging from 80+ to 40+ sites available, daily checks can take a lot of time. We purchased our camp hosts E-bikes with solar charging stations to help with their daily rounds. This eliminates driving vehicles through the campgrounds and provides campers an opportunity to easily flag down a host for any help and/or questions. All hosts conveyed that this has improved their day to day operations and the campers love that there are less vehicles driving through the campgrounds!

Scan and pay at all Bishop BLM campgrounds!

Amount Expended: \$2,391.20

Paying for your campsite at Bishop BLM Field Office campgrounds is now as simple as scanning a QR code with your phone. Campers can opt to pay camping fees at each site by downloading the free, easy-to-use www.Recreation.gov mobile app and using the 'Scan and Pay' option. The five campgrounds utilizing 'Scan and Pay' are Pleasant Valley Pit, Tuttle Creek, Goodale Creek, Crowley Lake and Horton Creek. Campground fees range from \$5-10 per night. The campgrounds are first-come, first-serve, with no reservations.

Revenue & Expenditures

FY23 Revenue	
Recreation Use Permits (RUPs)	\$177,312.56
Special Recreation Permits (SRPs)	\$8,418.57

Recreation fee dollars are an investment in outdoor recreation. Current and future generations benefit as 100% of the funds collected are reinvested in the facilities and services that visitors enjoy, use, and value.
