Field Office

## Recreation Fee Program Spending & Accomplishment Highlights 2023

### Volunteers at Warren Bridge CG

### Special Recreation Permits

2023 Volunteer Campground Hosts

**Amount Expended: \$4,500.00**

Recreation fees from Warren Bridge Campground are primarily used to pay campground hosts a daily reimbursement for their living expenses. The campground hosts are on-site for the entirety of the season. They are available for customer support, education, security, provide minor maintenance needs, and provide an overall positive BLM presence to our visiting public. Additionally, recreation funds are used to purchase fuel for equipment for grounds upkeep and materials for facility maintenance.

Contacting Fishing Guide and checking permits

**Amount Expended: \$3,600.00**

The Pinedale Field Office issues 17 permits to local businesses and guides who facilitate visitors' experiences in the Upper Green River Special Management Area. These highly used and popular fishing stretches are managed through special recreation permits. These permits support the local economy, promote the protection of resources, and allows the public to enjoy this high demanded recreation activity with greater safety, knowledge, and comfort.

## Revenue & Expenditures

FY23 Revenue	
Recreation Use Permits (RUPs)	\$10,757.36
Special Recreation Permits (SRPs)	\$6,616.98
Individual Special Recreation Permits	\$0.00

Recreation fee dollars are an investment in outdoor recreation. Current and future generations benefit as 100% of the funds collected are reinvested in the facilities and services that visitors enjoy, use, and value.
