New mining claim locations submitted to the State Office without the proper fees will not be serialized and will be returned unrecorded pursuant to the technical final rule published in the Federal Register on July 1, 2019 (84 FR 31219).

Refunds

If you record outside the 90 days window from the date of location, or you locate a claim on lands withdrawn from mineral entry (not open to mining), the location and maintenance fee(s) paid at the time of location will be refunded to you after the 30-day appeal period which begins the day after the official Decision, issued by the State Office, is delivered to all claimants on the mining claim or site.
