

What to Know Before You Go Instructions for visitors to the Fish Creek Wild Horse Gather

Where and When to meet: Visitors to the gather, including all media and members of the public, **must RSVP** by calling (775) 931-3690 – *you must make your reservation by 5:00 p.m. the night before you intend to visit the gather activities.* If you have RSVP'd, no later than 5:00 p.m. the night before, you will receive a call back on meeting time and location no later than 9 p.m. that evening.

Pending the location of the trap sites viewing opportunities are subject to change. If the traps are on privately-owned property, trap observations will be limited. If the traps are on public lands, trap observation opportunities will be daily.

Visitors to the gather, including all media and members of the public, will meet at specified locations that are subject to change; locations will be determined based on the location of the traps. All visitors will need to sign in on the visitor's log sheet and there will be a short briefing for the day and introductions.

The group, led by either a law enforcement officer or agency staff, will then caravan out to the gather site of the day and all visitors must stay until gather daily operations are completed. We may not know the exact location of these sites; therefore, it is extremely important that visitors be flexible.

Transportation: All visitors must have their own transportation – agency staff cannot take people in government vehicles except in an emergency. Visitor vehicles must have 4-wheel drive, off-road vehicle tires and it is recommended; the vehicles have high clearance.

The temporary holding corrals/sites will move around to several locations and the roads can get very rough in and around the Fish Creek HMA.

Due to the distances involved within the HMA and the lack of facilities, extra gas cans are highly recommended. Visitors must have their own spare tires (we suggest multiple spare tires!). There are gas stations in Eureka, but no other gas stations between Eureka and the gather area.

Cell phones are also a good idea if you get stranded, though coverage cannot be guaranteed. We will travel together to and from the gather.

Headlights must always be on during travel and if any vehicle has mechanical problems and/or flat tires, the caravan will stop.

Amenities / Lodging: For gather operations there are limited lodging opportunities in Eureka, NV.

Weather conditions: This is Nevada, in the winter, it is advised to plan for extreme cold weather with wind and snow or freezing rain. Dressing in layers is recommended due to highly fluctuating temperatures throughout the day.
