Sloan Canyon March Newsletter

"Water connects us all, and with all that lives. It brings us together, inspires us and helps us to work together for a better future". - Alexander Otte

The construction is in full swing for the Sloan Canyon Visitor Contact Station! Nawghaw Poa Road, paved pedestrian trail, and Petroglyph trailhead parking lot are CLOSED to all pedestrian, bike, and vehicle traffic. Petroglyph trail and Sloan 101 trail have been rerouted with the new parking and trailhead [here](#). For more information on the temporary closure and reroutes please visit [here](#) for closure notice and [here](#) for up-to-date information. We thank you all for your patience and look forward to welcoming you to the new visitor contact station!

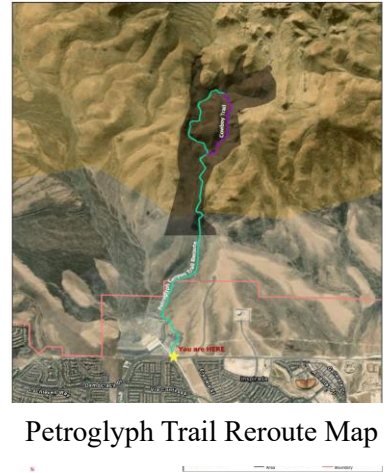

Education Tip: Join us on **March 20th at 10:30am at the West Henderson Library** for Communication in Reptiles. Sign-up for the event [here](#).

Fun Fact: For those seeking expansive views of the Las Vegas and Eldorado Valleys, the McCullough Hills Trail is an excellent choice for your next hike. The trail is 8 miles one way, and hikers can shuttle vehicles between Anthem Hills Park and McCullough Hills Trailhead to prevent the hike from being 16 miles out and back.

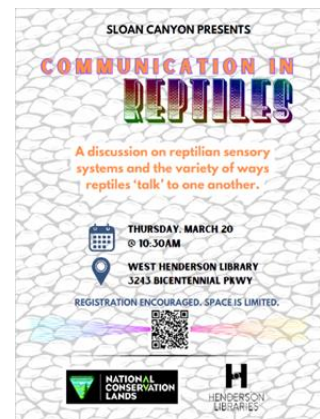

Friendly Reminders:

- On Saturday, March 22, from 5am-5pm the Triple Dare Running Company will be hosting the Trail Trashed running event. The event will start and end at the Hidden Falls Park in Henderson and will utilize several hiking trails inside Sloan Canyon NCA.

Etiquette Principle: Did you know that motorcycles and OHVs, including electric motorcycles, are not permitted within Sloan Canyon NCA. There are areas around Las Vegas and Henderson that are open to off-roading. Please call 702-515-5000 for more information or visit [here](#) for a map showing OHV restrictions on BLM land.
