Good Afternoon/Evening,
Thank you for participating in the Source Selection Evaluation and joining the Technical Proposal Evaluation Committee (TPEC). For this Source Selection you will be evaluation both non-price and price factors.

Coordination of board events and timelines should be sent through Nicole Hayes as the chairperson of the board.

Please see the attached documents for the source selection board for the Coastal Plains EIS requirement.

Please note the following:

1) The Non-Disclosure and Conflict of Interest must be signed prior to access being granted for the evaluation documents. The Non-Disclosure and Conflict of interest are in attachment "FAR 15 SourceSelectionEvalTeamAPPT" (attached).

The Non-Disclosure and Conflict of interest must be signed by each board member and returned to me before the board commences.

2) The past performance/ technical evaluation will need to be completed prior to release of the price information

3) Attachment 2 has the instructions on what will take place during the board. The powerpoint also has information on how the board will take place and the steps and rules involved.

4) An appointment letter is in the google drive for each member appointed.

Google Drive Link: <https://drive.google.com/drive/folders/17caogcmqzCQKET3-SZxXywtlpUZwp-M?usp=sharing>

I know this is stressed quite a bit, but **please remember the procurement integrity of the board. There can be no release of any information or discussion of proposal information outside of the board or the SSA (me).**

Please let me know if there are any questions, concerns or issues with viewing any document.

Thank you.

Hi Patrick,

I just noticed an error on the Appointment of Source Selection Evaluation Team memo. My job title is no longer Supervisor Outdoor Recreation Planner. I am now Planning and Environmental Coordinator, AKF03. I'm not sure if you will need to issue a corrected document for the file or not but I wanted to let you know.

Thanks.

Good Afternoon/Evening,

Thank you for participating in the Source Selection Evaluation and joining the Technical Proposal Evaluation Committee (TPEC). For this Source Selection you will be evaluation both non-price and price factors.

Coordination of board events and timelines should be sent through Nicole Hayes as the chairperson of the board.

Please see the attached documents for the source selection board for the Coastal Plains EIS requirement.

Please note the following:

1) The Non-Disclosure and Conflict of Interest must be signed prior to access being granted for the evaluation documents. The Non-Disclosure and Conflict of interest are in attachment "FAR 15 SourceSelectionEvalTeamAPPT" (attached).

The Non-Disclosure and Conflict of interest must be signed by each board member and returned to me before the board commences.

2) The past performance/ technical evaluation will need to be completed prior to release of the price information

3) Attachment 2 has the instructions on what will take place during the board. The powerpoint also has information on how the board will take place and the steps and rules involved.

4) An appointment letter is in the google drive for each member appointed.

Patrick,

How many vendors are we reviewing? I only see one in this folder. Should I assume there will be additional folders for each vendor?
