

Magic Valley Motocross Race Bruneau/Jarbidge Rivers Program

Start of Magic Valley Motocross Race

Amount Expended: \$7,041.49

The Magic Valley Motocross Club holds an annual desert motocross race and a Special Recreation Permit (SRP) is issued by the Jarbidge Field Office (JFO). The FY2024 race was held in the Yahoo Special Recreation Management Area in May. There were different divisions ranging from youth to pro riders. Spectators can observe the race from designated areas. JFO staff and Twin Falls District fire and law enforcement staff monitored the race, provided fire suppression support, and did safety and interpretive presentations.

Bruneau Wild and Scenic River

Amount Expended: \$0.00

The Bruneau and Jarbidge Wild and Scenic Rivers provide outstanding recreation opportunities for experienced boaters who seek a technical and remote experience. There are four commercial outfitters that are permitted to operate on these rivers. Most of the fees generated from these SRPs in the JFO come from this commercial use and help support staff who monitor the rivers. While funds were not used for this purpose in FY2024, these funds are routinely used to purchase equipment for monitoring patrols.

Recreation fee dollars are an investment in outdoor recreation. Current and future generations benefit as 100% of the funds collected are reinvested in the facilities and services that visitors enjoy, use, and value.
