

**Jump Creek** **Owyhee Front**

*Jump Creek Falls*

**Amount Expended: \$0.00**

Jump Creek features a surprising waterfall and lush riparian community filled with waterbirch and red osier dogwood trees. Visitors can hike the easy quarter mile Jump Creek Falls Trail, walk to the falls overlook or picnic near the rock crevices and meandering stream. Swimmers can enjoy a refreshing dip at the base of the falls. The Owyhee Field Office (OFO) is currently working on developing this area into a fee site. The Resource Advisory Council and the BLM Idaho State Director approved this new fee proposal.

*Owyhee Front OHV Area*

**Amount Expended: \$5,000.00**

For the foreseeable future, the majority of the OFO fee revenue is spent on rental and operation costs for a SWECO dozer to complete annual ATV/UTV trail maintenance. Additional fee revenue was spent on maintenance tools/items to support the network of trails. These areas combined are roughly 260,000 acres and contain over 900 miles of designated routes. The areas require constant upkeep with sign repair and replacement, fencing repair, equipment rental, trail maintenance, and cattle guard maintenance.

*Recreation fee dollars are an investment in outdoor recreation. Current and future generations benefit as 100% of the funds collected are reinvested in the facilities and services that visitors enjoy, use, and value.*
