Recreation Fee Program Spending & Accomplishment Highlights 2024

Parking Area Kiosks

New kiosk at Fortification Creek Parking Area

Amount Expended: \$2,542.55

The Buffalo Field Office has scattered Federal inholdings amidst private and state lands, making access to BLM land difficult. In a continuing effort to provide access while reducing the potential for conflict with private landowners, the Buffalo Field Office placed informational kiosks at popular access points near Fortification Creek and Powder River Road. Currently, the kiosks present information on Leave No Trace principles, rules for E-Bikes on Public Lands and accurate maps depicting land ownership near the parking areas. The information can be changed.

Recreation fee dollars are an investment in outdoor recreation. Current and future generations benefit as 100% of the funds collected are reinvested in the facilities and services that visitors enjoy, use, and value.
