## Recreation Fee Program Spending & Accomplishment Highlights 2024

Field Office

### ADA Upgrades for Tabor Creek

Completed ADA site and bathrooms

**Amount Expended: \$0.00**

Funding was received to suppleent fee dollars for the project to support recreation and access, the Wells Field Office worked to add ADA accessible parking areas, accessible picnic tables, and realign fencing within the Tabor Creek Campground. Additional work on the accessible parking pad at vault toilet #2 has been constructed as have two concrete pads at campgrounds sites #6 & #7.

### Bonneville Off-Road Race

a pit-stop along the race for the participants

**Amount Expended: \$5733.33**

The Bonneville Off-Road Racing event, held annually in October, successfully took place on October 5th and 6th, 2024, with the special recreation permit issued by the Wells Field Office after meeting with event representatives to review the annual application. This permit is not managed under cost recovery, so monitoring and processing of the permit is covered by permit fees from the office.

Planned Activities

Campground Site at Tabor Creek

The Wells Field Office top priorities for FY25 are:

- Upkeep of maintenance for the Tabor Creek campgrounds. The office will make sure that the sites remain accessible and clean for current and future visitors.
- Full time Outdoor Recreation Planner  
Keeping things running smoothly until we find a full-time outdoor recreation planner! In the short-term, the field office will keep collecting fees, renewing SRPs, and providing recreation services for the public.
