WHEREAS the official land title records of the United States disclose that the United States has no interest in the property described below;

NOW THEREFORE, the United States, pursuant to the Federal Land Policy and Management Act of October 21, 1976, section 315, 43 U.S.C. 1745 does hereby disclaim any interest in the following described property, to wit:

1) East Fork Arolik River, including Arolik Lake: All submerged lands between the lines of ordinary high water on the left and right banks and/or shores of the East Fork Arolik River, from the outlet of Arolik Lake within sec. 24, T. 8 S., R. 70 W., downstream to the east boundary of sec. 10, T. 8 S., R. 71 W., and Arolik Lake within secs. 19, 30, and 31, T. 8 S., R. 69 W., and secs. 23, 24, and 25, T. 8 S., R. 70 W., all within Seward Meridian, Alaska.

This disclaimer includes the submerged lands and beds of all anabranches, braids and channels that carry water from the navigable rivers and thus are part of the navigable rivers.

The aforesaid portions of the Arolik River System may be located within other sections and townships due to the lands being unsurveyed and the ambulatory nature of water bodies.

Those submerged lands adjacent to uplands not owned by the United States are excluded from this disclaimer.

This disclaimer is subject to all valid existing rights, if any.
