WELCOME TO CATHEDRAL HILLS TRAIL SYSTEM!

You never know who you might meet at Cathedral Hills! This 10-mile trail system is a haven for hikers, mountain bikers, horseback riders, and trail runners. Located minutes from downtown Grants Pass, the trails loop through 400 acres of Douglas-fir and ponderosa pine forests and provide views of the Rogue Valley and surrounding mountains. The system of connected trails allows you to tailor your experience to your fitness and skill levels—no matter what your mode of transportation may be. Abundant wildflowers and mild weather make spring a popular time to visit Cathedral Hills.
