

**NEVADA**  
**Off-Highway Vehicle (OHV) Legislation & Program Development Workshop**

Tonopah, Nevada

June 19-20, 2004

**Purpose:** To provide a facilitated workshop for OHV recreationists and businesses with invited guest representatives from local, State and Federal government, land management, and economic development interests

**Objectives:**

- To identify areas of concern regarding OHV recreation management including:
  - o Quality and quantity of opportunity; and
  - o Safety, education, trespass, and resource impacts;
- To identify potential and needed benefits from a state OHV program;
- To review proposed and potential OHV Program legislation;
- To identify points of concern, support and opposition;
- To develop recommended legislative language where there is agreement; and
- To develop a strategy for introduction and passage of OHV public legislation.

**NEVADA**  
**Off-Highway Vehicle (OHV) Legislation & Program Development Workshop**

Tonopah, Nevada

**DRAFT AGENDA - Saturday, June 19, 2004**

- 9:30 a.m. Registration.
- 10:00 a.m. Welcome, Agenda Review, Ground Rules and Introductions.
- 10:15 a.m. Review of State and Federal OHV recreation management regulation implementation, planning efforts, and national policies, and Nevada economic development programs.
- (Session to include handouts and brief presentations from Lincoln and Elko counties, BLM, FS, State Parks/RTP, and some of handout materials may be distributed electronically before the workshop.)
- 11:00 a.m. Nevada OHV recreation management and opportunity concerns.
- (Facilitated discussion to identify concerns that need to be/could be corrected or improved through a state program. Advance questions on this should go out prior to the workshop with request for comments on specific issues and necessary changes.)
- 12:00 noon Lunch – provided on site.
- 12:45 p.m. Review proposed OHV Program legislation:
- Where does the proposal address the NV OHV public concerns?
  - Where is there total agreement?
  - Where is there major concern?
  - Where are there minor concerns?
  - Where does the legislation address other interests?
  - Where is there expected support from other interests?
  - Where is there expected opposition from other interests?
- 2:00 p.m. Break.
- 2:30 p.m. Development of solutions that address OHV and other public concerns.
- (Depending on group size, may want to divide issues and break into groups during this session.)
- 4:00 p.m. Post and briefly discuss solutions.
- 5:00 p.m. Adjourn for evening – evening free.

**NEVADA**
