- (1) A **RED** number in above table indicates the State or Washington Office had two or more of its organizational units in that fiscal year NOT rated in good safety, health, and environmental condition.
- (2) A **GREEN** number in above table indicates the State or Washington Office had all or all, but one of its organizational units in that fiscal year rated in good safety, health, and environmental condition.
- (3) The performance goal for FY 2018 was to have 98% of the BLM’s organizational units rated in good safety, health, and environmental condition, which is one percent higher than last fiscal year’s performance.
- (4) The above data includes responses from the field through July 2018.
- (5) FY 2018 is the fourteenth fiscal year in which an organizational unit must have all its high priority traditional CASHE findings completed to be rated in good condition.
- (6) FY 2018 is the fifth fiscal year in which an organizational unit must have all its high priority RI CASHE findings completed to be rated in good condition.
- (7) FY 2018 is the second year SI CASHE findings counted when determining whether an organizational unit is rated in good condition.
- (8) The number of incomplete high priority SI CASHE findings an organization unit will be allowed to have and be rated in good condition is five the year after their SI CASHE audit. The number of incomplete high priority SI CASHE findings drops by one each subsequent year.
