

What to Know Before You Go

Instructions for visitors to the Triple B Complex Wild Horse Gather

Where to meet: Visitors to the gather will meet at the BLM Ely District Office, located on the east side of U.S. Highway 93, about three miles north of Ely, Nevada. There will be a short briefing for the day and introductions. We will then caravan out to the gather site of the day and stay until gather operations are completed. We may not know the exact location of these sites until the day before, so please, be flexible.

When to meet: Call our Wild Horse Gather Info Line at (775) 861-6700 for an update on the next day's gather activities, meeting times and location. Note: Gather operations are dependent on the weather and could change with little or no notice.

Transportation: All visitors must have their own transportation – we cannot take people in government vehicles except in an emergency. The temporary holding corrals/sites /will move around to several locations and the roads can get very rough in and around the Triple B Complex. Vehicles **MUST HAVE** 4-wheel drive with high clearance. Visitors must have spare tires (we suggest multiple spare tires!). Gas and full services are available in Ely, Nevada.

Due to the distances involved within the Complex and the lack of facilities, extra gas cans are highly recommended. Cell phones are also a good idea if you get stranded, though coverage cannot be guaranteed. We will travel together to and from the gather. Headlights must be on at all times during travel and if any vehicle has mechanical problems and/or flat tires, the caravan will stop.

Amenities / Lodging: Ely has ample lodging opportunities.

Weather conditions: This is Nevada in July, so plan for everything. Dressing in layers is recommended due to highly fluctuating temperatures throughout the day.
